Dear Doug,

On behalf of the Christmas in April ★ Seattle Board of Directors, we would like to recognize K-Designers and offer our sincere thanks for your participation in our 1997 community rehabilitation project. Your support keeps elderly, disabled and low-income homeowners safely living in the comfort of their own home.

Thanks to you, Christmas in April had a very successful year! In Seattle, 1,600 volunteers and skilled tradespeople provided critical safety and maintenance repairs at 38 homes and 5 community centers. Across the country, approximately 145,000 volunteers donated their time and talents to rehabilitate 4,500 houses during our one-day national rebuilding event.

K-Designers' dedicated team of volunteers made significant improvements at the home of Mercedes Dimaano. Your organization's extraordinary efforts, spirit of goodwill and commitment to the community are admirable!

We look forward to working with you again and will contact you this fall to get you on board as a 1998 sponsor!

Sincerely,

Karen Wickstrand
